Neo™

single & double garage doors

Squareline®

NEW

Our revolutionary new Neo™ Roll-A-Door® provides the convenience of a roller door with the look of our most popular sectional door. This is a brand new look for Roll-A-Door® and combines years of research and testing to achieve a unique, winning formula. Includes Weatherseal with deep cushioning helping to restrict entry of water and leaves. Springs are tested to 30,000 open and close cycles. Each Roll-A-Door® NEO™ comes with a B&D® Controll-A-Door® Power Drive® RDO-1V4 automatic opener.

FEATURED COLOUR: JAPAN CHERRY

Neo™ Profile:

FEATURED COLOUR: DOVER WHITE (SINGLE GARAGE)

FEATURED COLOUR: CLASSIC CREAM™ (DOUBLE GARAGE)

Squareline® Profile:

Single and double roller doors featuring our best-selling tried and tested Squareline profile to suit a range of home styles. Using a special 'mini groove' design ensures smooth operation and protection for the door's paint finish (available on selected sizes). Our double garage Squareline® model (R3W) has a 0.5mm curtain thickness. Includes Weatherseal with deep cushioning helping to restrict entry of water and leaves. Springs are tested to 30,000 open and close cycles.

double garage doors

Traditional Profile

FEATURED COLOUR: SURFMIST

Traditional Profile:

The Traditional profile features a deeper, rounded and more rigid curtain shape. This is particularly suitable for high usage applications and where an extra strong door is required. Our Traditional profile Wideline™ door (R2W) has a 0.5mm curtain thickness. Includes Weatherseal with deep cushioning helping to restrict entry of water and leaves. Springs are tested to 30,000 open and close cycles.

colour & timber look finishes

On trend exterior colour options

Colorbond®

b&d Timber Coat™

For a full range of colour options visit bnd.com.au

The COLORBOND® and Timber Coat™ steel colours shown here have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process may affect colour tones. COLORBOND® and ® colour names are registered trade marks of BlueScope Steel Limited. B&D™ recommends you visit your nearest B&D® Accredited Dealer to view a sample. *A surcharge applies to these colours.

create your new custom Roll-A-Door®

We've made it easy for you to create your new custom B&D® Garage Door.

Follow our step by step guide to create your own B&D® Roll-A-Door® that will complement your home.

DOVER WHITE^

1 Choose a Roll-A-Door® size

Single* or double car garage.

***Neo™ is only available in single size.**

2 Select a colour or finish that complements your façade

Select a colour or finish from our range of on-trend exterior options to complement your façade. We've selected a best selling range of colours and timber looks. For a full range of options, check out our website: www.bnd.com.au

3 Explore our door profiles

Create a look that suits every element of your home.

Automate your Roll-A-Door® by adding a B&D® opener*

We recommend B&D® Controll-A-Door® Power Drive®

Power Drive® has the power and the smarts to effortlessly operate your rolling door. When coupled with a genuine B&D® Controll-A-Door® opener and registered online, your B&D® Roll-A-Door® is eligible for our 10 Year Total Confidence Warranty†

*B&D® Power Drive® RDO-1V4 comes included with Neo™.
†Terms & Conditions apply. See website for details.

Features & Benefits

As standard, we provide a **7 year warranty†** on the steel curtain on B&D® Roll-A-Door®.

Lasting style

B&D's unique 'brake press' production process creates a stunning look that will stand the test of time.

Smooth, quiet operation

Our Nylofelt running strips deliver smooth, quiet operation.

Effortless opening

All Roll-A-Door® Neo™ doors are complemented by our B&D® Controll-A-Door® Power Drive® RDO-1V4 automatic opener.

Premium Upgrades

High Wind Roll-A-Door®

Our High Wind Roll-A-Door® provides added strength, security and protection ensuring your door is held captive in the door track during high wind situations. Suitable for all applications, they are compliant with National Construction Code High Wind Requirements.

Emb-A-Seal

These seals fill gaps around your door impeding the progress of burning embers (and dust, sand and leaves) into your garage. This is very important if your garage is used as a living area.

Wireless safety beams

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing it will automatically stop and reverse.

Smart door solutions

Turn your Roll-A-Door® into a Smart Door. Smart Door Solutions introduce technology allowing you to remotely monitor and control your garage door whether you are at home or away from home, right from your smart phone*.

*Subject to cellular and WIFI connection and availability. Note - Kit includes Smart Hub & accessories. Phone not included.
†7 Year warranty on steel door curtain covers steel cracking and lock seam failure and associated labour. Warranty on surface coatings, locking mechanism and all other components is 12 months. Terms & Conditions apply. See website for details.

The name Australia knows and trusts

Home means different things to different people. A place to relax and unwind, away from the stresses of everyday life. A place to express your sense of style. It is always the place where the things you hold precious belong.

Safe and secure design is our priority to help protect the things you hold precious. Our commitment to quality flows through everything we do from custom made solutions to the convenience of automation and nationwide servicing. Whether you are coming or going from home, you can always rely on our build quality and commitment to safety to stand the test of time.

Home to a wide range of range of garage door solutions, B&D® has a proud history of innovation, after all we invented the roller door! We believe our latest collection of garage doors bring together cutting edge technology, beautiful design options and proven reliability that only 60 years of experience can deliver.
